## Features

**Sizes** 3,8 L and 20 L

## Advantages

- Agrizone exclusivity
- 100 % biodegradable
- Phosphate-free
- Acid detergent
- Effectively cleans evaporator pans in an environmentally friendly way
- Can also be used to clean limestone on stainless steel

## Manual of use

### For regular and frequent washing :

- Mix 0.5 to 2 L Acericlean per 100 L of water depending on degree of dirt. **Always put water before adding product**
- Heat the solution without boiling to increase efficiency.
- You can briefly soak for small cleanups but for the most stubborn residues soaking for 6 to 24 hours is recommended.
- Rinse thoroughly the pan with drinking water before reuse.
- You could use a nylon brush if necessary for stubborn residues.
- For very dirty evaporator pans you can use from 2 to 4 liters of Acericlean per 100 liters of water.
